

A minute to win it!

key

other information

The exercise can be adapted to allow pupils to work as individuals or as groups.

instructions

The aim of this exercise is for pupils to produce one minute presentations as pairs related to the lesson to demonstrate their understanding. Pupils can give peer feedback on the presentations either via comments, questions or traffic light cards. Teachers can also use this to assess pupil understanding.

Pupils will have 5 minutes to prepare their presentations. The resource contains a timer for this.

Pupils are then randomly selected and present using no more than 60 seconds. A reusable timer is available on the resource.

Don't have an interactive whiteboard....

Use a stopwatch to time each activity and countdown how long is left.

The table below explains what each icon used on the resources key represents. The key is broken down into 4 categories:
