

Connect- APPLE

Use this strategy to explore the structure of a piece of text, which can then be used if needed to create your own text, or in conjunction with PQE or PEAL.

Audience-

Who is the intended readers of the text, who is it aimed at?

Purpose-

For what reason has the text been written?

Presentation-

How is the text set out on the page?

Language-

What words, phrases and devices have been used in the text?

Effect-

What does the text make the reader feel or think?
