

Newspaper

Get students to use the various features of a newspaper article to demonstrate and apply their learning.

Using the information, students are to present it as a newspaper article. This should then be presented using a combination of headlines, subheadings paragraphs and the optional use of drawings to represent photos. Students can refer to the GAP task to extend and support the task.

If using GAP you will need to complete the GAP worksheet to outline the variation in challenge and support available for the task-

- Green- Supportive version of the task
- Amber- The original version of the main task
- Pink- Challenging version of the task
