

Sketch (series)

Get students to produce a series of sketches that challenges them to demonstrate and apply their learning.

Using the information for the task, students are to present it as a series of sketches. They must decide on what the key points are and how these can be represented as pictures. Students can maximise the content of their sketches by using the GAP tasks.

If using GAP you will need to complete the GAP worksheet to outline the variation in challenge and support available for the task-

- Green- Supportive version of the task
- Amber- The original version of the main task
- Pink- Challenging version of the task
