

**Task:** *Activity*

You will be given a cryptic text message related to the lesson. You will have 60 seconds to decode the message!

Be prepared to feedback to the class.

**Text me!**

**Task:** *Activity*

You will be given a set of questions to answer and several pieces of text containing the answers to just some of the questions.

Your task is to answer the questions and work out which pieces of text contain the answers.

**Mysteries**

**Task:** 

To improve your work you will undertake a 3-part process- Baseline, Improvements and Go & Improve

**Baseline & Improvements**  
 You have undertaken a piece of work which you are going to improve. On your worksheet write a short description of the piece of work then suggest how you could improve it.

**BIG Assessment Paper**

**Task:** *Activity*

You will be shown a demonstration; your task is to identify the deliberate mistakes.

Once the demonstration is completed pair up and decide on what you think the mistakes were and what the correct answer should be.

You will be expected to feedback to the class.

**And the mistake is?**

**Task:** 

To improve your work you will undertake a 3-part process- Baseline, Improvements and Go & Improve

**Go & Improve- Checking**  
 Having completed the Go & Improve task, you are now to refer back to your worksheet and check you have completed all the improvements

**BIG Reflecting Circles**

**Task:** **LEARNING BLOOMS**

You will undertake a Learning Blooms task with a focus on visual skills. Look at your task and then select an approach from one of the 8 suggestions.

You will also need to choose a level of GAP to apply:

**Green-** Include the main facts within your task  
**Amber-** Show all the facts within your task  
**Pink-** Show all the facts and explain them

**Blooms- Visual**
